To: President George W. Bush  
The President of United State

Subject: Call to protect Ahwazi citizens.

Sovereign,

We The National Liberation Movement of Ahwaz (NLMA); on behalf of our Arabic Ahwazi people and on behalf of the on going demonstration of Ahwazi citizens in Iran, we claim United State to protect our Ahwazi people from the Iranian regime which is attempting to destroy the entire natives of Ahwaz without distinguish of children, seniors, and young people. We are asking United State to take a serious action towards this disaster that upon our people that have been going under.

Iranian regime has stopped all media and newspapers inside Iran that had been trying to cover these proceedings, because as a regime, has been killing Ahwazi on the streets before the international media to get into Ahwaz. Moreover, Iranian government is giving an order to all hospitals in the region of Ahwaz to avoid giving injury people of this demonstration any medicine as well as curing them.

Your Excellency, all Ahwazi citizens asking and trying to reach their voice to your Excellency to have an international consideration towards what is happening in Ahwaz as well as require a quick interfere to stop this tragedy and safe them.

Sincerely,

Seyed Taher Al-seyed Naama  
The Voice-President Of  
The National Liberation Movement of Ahwaz (NLMA)
